## Smino

Boom, boom, boom, Sminoshima  
Sminova Scotia, beam on 'em  
Aw they hate it when you smile nah  
They lactose tolerant, I cheese on 'em  
Smino compadre, speak up  
Me no speak no english  
Country country my lingo  
Smell the smoke, that shit linger  
Smino di grigio these hoes dutty wine  
Bumper cars in the Beamer  
Bunk beds, ain't no space  
Fuck you thought? I don't team up  
Stick with my familia  
We go back like Girbauds and wife beaters  
Back in the space when they tried to delete us  
We blew G's and stay G'd up  
And I'm just sitting here  
Thinkin' 'bout  
All of the  
Money that  
I could be  
Getting right now  
Wasting my time  
What you doin'  
I told you I  
Only got  
Time for these  
Benjis I count  
I only come through for that guarantee  
That right on time, that exactly what I need  
I need that guarantee  
Smi D Pablo keep a freak-a-leek  
Greedy hoes they want a piece of me  
Mama told me about these phony frolickers  
My apologies I can't let y'all drain me  
Smi-know better than to trust gimmicks  
Smino, more like Smi-Yeah  
Young Denzel train all day  
Run shit here, ya'll just live here  
Smino-ly Bible I live by  
Cross my heart, hope to die nigga if I'm lying  
Only bands make me march

I beat the odds like a drum line  
And I ain't never in a rush  
I ain't no Russian, I'm a blkswn  
Being timeless how I pass time  
Scheming, plotting 'til it's attack time  
And I'm just sitting here  
Thinkin' 'bout  
All of the  
Money that  
I could be  
Getting right now  
Wasting my time  
What you doin'  
I told you I  
Only got  
Time for these  
Benjis I count  
I only come through for that guarantee  
That right on time, that exactly what I need  
I need that guarantee  
Sitting here  
Thinkin' 'bout  
All of the  
Money that  
I could be  
Getting right now  
Wasting my time  
What you doin'  
I told you I  
Only got  
Time for these  
Benjis I count  
I only come through for that guarantee  
That right on time, that exactly what I need  
I need that guarantee  
Sweanita!
