Not In Love (feat. Robert Smith)

Crystal Castles

I saw your picture Hanging on the back of my door Won't give you my heart No one lives there anymore And we were lovers Now we can't be friends Fascination ends Here we go againCause it's cold outside When you coming home Cause it's hot inside Isn't that enough I'm not in loveCould it be that Time has taken its toll Won't take you so far I am in control And we were lovers Now we can't be friends Fascination ends Here we go againCause it's cold outside When you coming home Cause it's hot inside Isn't that enough I'm not in love I'm not in love I'm not in love We are not in love
