

# Glass House

## KALEO

I don't need much  
I don't need another friend Bittersweet touch  
You don't see me holding hands Woah, come embrace my love in it  
Come on take me on and on  
Yeah, on Fortune's fade in love  
Fortune only favours me I'm sick of waiting  
For you to come and fill my need  
Woah yeah Ba ba daladaladalada oh yeah  
Singing  
Ba ba daladaladalada  
Ba ba daladaladalada woo hoo  
Woah So keep on walking  
You know I'm doing the best I can  
Oh yeah Look who's talking  
I'm your man I'm your man Woah, come embrace my love and  
Come on take me on and on  
Yeah, on and on and on Ba ba daladaladalada  
Ba ba daladaladalada oh yeah Ba ba daladaladalada  
Ba ba daladaladalada woo hoo Throwing rocks at the glass house  
Throwing rocks at the glass house  
All night long  
Throwing rocks at the glass house  
Throwing rocks at the glass house  
All night long  
Oh yeah baby  
All night long  
Yeah, come on!  
Yeah, take it on  
Swing it!  
Ba ba daladaladalada  
Ba ba daladaladalada oh yeah  
Ba ba daladaladalada  
Ba ba daladaladalada woo hoo  
Ba ba daladaladalada  
Ba ba daladaladalada  
Come on baby, don't say maybe x4
