

# Can't Stop My Heart

## Babyface

Baby, baby  
Don't 'cha think  
You would like to  
Spend the night with me?  
Darlin', darlin'  
Can't you see  
That you and I were  
Always meant to be? Baby, if you believe in magic  
Baby, I'll reach for the stars  
And I'll bring the dream to you  
Whatever you wish for you can have it  
It'll come straight from the heart  
Baby 'cause I, I want you  
To want me, like I do, want you  
I can't stop my heart, I'm in love  
You're the only one that I want  
I want it, I need it  
Oh I wanna be the one and only one you love  
I want it, I need it  
I wanna be the one and only one you love  
Girly, girly  
It's plain to see  
Ain't no other  
Place I'd rather be  
Girly, baby  
Live with me  
I'll make you happy  
And that I guarantee  
Baby 'cause I believe in magic  
Baby I wished upon a star  
And I found a dream called you  
Baby 'cause you can make love happen  
Let it fall straight from your heart  
Baby 'cause I, I want you  
To want me, like I do, want you  
I can't stop my heart, I'm in love  
You're the only one that I want  
I want it, I need it  
I wanna be the one and only one you love  
Baby 'cause I, I want you  
To want me, like I do, want you  
I can't stop my heart, I'm in love  
You're the only one that I want  
I want it, I need it  
I wanna be the one and only one you love  
I can't stop my heart, I'm in love  
You're the only one that I want

I want it to love me, I need it  
I wanna be the one and only one you love I want it, baby I need it  
Baby I wanna be the only one, the only, only, only, only one I can't stop my heart, I'm in love  
You're the only one that I want  
I want it, I need it  
I wanna be the one and only one you love
