

# COFFIN (feat. Eminem)

Jessie Reyez

We fought until the sun rose  
And I still ain't been to bed (Bed, bed)  
And while you got your eyes closed  
The devil wakes up in my head (Head, head)  
He told me that you hate me and you blame me  
And you said that you wish that you were dead  
So I write a little note out  
Suicidal love roulette You make me wanna jump off the roof  
'Cause I love you to death, just like a fool  
I'd rather a coffin, handmade for two  
'Cause I love you to death, just like a fool  
Just like a fool  
Just like a fool  
I walk up to the edge, yeah  
And say a prayer before I let go (Let go, let go)  
I'll probably see you through the window  
While I'm falling past the fifth floor (Fifth floor, fifth floor)  
Then you get there just in time to save me and apologize  
And maybe we can go back to bed  
But you run past me instead  
And hit the ground before I can I had to watch ya jump from the roof  
Boy, I love you to death, just like a fool  
We'll need a coffin, handmade for two  
'Cause I love you to death, just like a fool  
Just like a fool, uh Maybe Buddha's got it right  
We reincarnate every time  
And I'll find you in another life  
Maybe Buddha's got it right  
We reincarnate every time  
And I'll find you in another life  
I don't really wanna fight (Nah)  
I just wanna spend the night (Yeah)  
But I don't wanna spend the night  
Actin' out Love the Way You Lie  
But the shit just went awry  
Hit me in the eye, bit me in the thigh, then begin to cry  
I'm at the end of my wits, let's end this, ma (It's over)  
Then begin again tomorrow  
Fresh start, let you spoil me  
Pledge your loyalty, treat me like a king  
Just to fuck me over royally  
Boy, are we water mixed with oil

See another shouting match, 'bout to have it out  
But no matter how mad I get, I'm so mad about you  
Forgot what I was even mad about  
I know we've had our challenges still  
I keep trying to salvage it, you  
Wanna sabotage it, I'm down to the hill  
But you think I'm fucking around on you, chill  
It never changes, I doubt if it will  
Cheat on me, then say How does it feel?  
I feel like blowing my fucking head off  
After I write you out of my will  
Bitch, how could you?  
Almost had a child wit' you  
Woulda settled down wit' you  
Now I'll put you in the ground and bury myself wit' you  
I don't get you, it's as if you're drowning  
I stick my hand out, but you fool me  
You're just trying to pull me down wit' you (Down wit' you)  
Thought it was you my world revolve around  
I should aim a revolver round at you  
180 proof, guess I'm making my way to the roof  
You're a traitor, I say that we're through  
You hop in the elevator, then you  
Say the coffin, they better make it for two  
'Cause if you jump, I'm jumpin' with you  
And neither one of us have nothing to lose but each other  
We're just a couple of fools You make me wanna jump off the roof  
'Cause I love you to death, just like a fool  
We'll need a coffin, handmade for two  
'Cause I love you to death, just like a fool  
You make me wanna jump off the roof  
'Cause I love you to death, just like a fool  
We'll need a coffin, handmade for two  
'Cause I love you to death, just like a fool  
Just like a fool  
Just like a fool
