driftin'  
I'm driftin' away hey into the darkness  
ndizothath'u mthwalo ndimbeke mqolo mama  
ubomi bunzima  
so lift my head up high  
open my eyes and I will fly ohh  
I'm barely copin  
I'm feelin closin, looking up hoping the  
heavens will open  
mdali wezulu ndikhalela kuwe  
open up, open up  
I'm feelin closer now  
the light is shining brighter but I'm losing my flows  
kudala ndisiwa ndivuka, ndifuna noluthando
