

# Lost

## Cas Haley

I don't see like you do  
Don't understand the things you do  
All these words you say to me that I don't understand. But love  
(oh maybe love)  
Will pray to God so I can see  
Just like you and your reality Don't ask  
Don't wonder  
I won't give up on you, no Don't ask  
Don't you wonder  
'Cause I won't give up on you, no  
It's been three years and still I'm blind  
My mind's polluted from my own time  
All these words you say to me that I don't understand But love  
(oh maybe love)  
Will pray to God so I can see  
Just like you and your reality Don't ask  
Don't wonder  
I won't give up on you, no Don't ask  
Don't you wonder  
'Cause I won't give up on you, no  
I won't give up on you Don't ask  
Don't wonder  
I won't give up on you, no  
Don't ask  
Don't you wonder  
'Cause I won't give up on you, no  
I won't give up on you
