

Lost

Cas Haley

I don't see like you do
Don't understand the things you do
All these words you say to me that I don't understand. But love
(oh maybe love)
Will pray to God so I can see
Just like you and your reality Don't ask
Don't wonder
I won't give up on you, no Don't ask
Don't you wonder
'Cause I won't give up on you, no
It's been three years and still I'm blind
My mind's polluted from my own time
All these words you say to me that I don't understand But love
(oh maybe love)
Will pray to God so I can see
Just like you and your reality Don't ask
Don't wonder
I won't give up on you, no Don't ask
Don't you wonder
'Cause I won't give up on you, no
I won't give up on you Don't ask
Don't wonder
I won't give up on you, no
Don't ask
Don't you wonder
'Cause I won't give up on you, no
I won't give up on you
