

# Reflection

Lea Salonga

Look at me  
I will never pass for a perfect bride  
Or a perfect daughter Can it be I'm not meant to play this part?  
Now I see that if I were truly to be myself  
I will break my family's heart Who is that girl I see, staring straight back at me?  
Why is my reflection someone I don't know?  
Somehow I cannot hide who I am, though I've tried  
When will my reflection show who I am inside?  
When will my reflection show who I am inside?
