

# We'll Be Ok (feat. Wrabel)

## Afrojack

Hundred years ago someone said to me  
You can change the World by the way you speak  
But every word you hear is every word you say  
I could see the feelings written on your face  
You don't believe in love  
You don't believe it's true  
You don't know where I go  
You don't know what I do  
If I could make you see the way it supposed to  
be  
Only love could set you free  
We'll be OK ooh oh  
Don't be afraid, you know  
Music will play ooh oh oh  
We'll be OK oh ooh oh  
We'll be OK ooh oh  
Don't be afraid, you know  
Music will play ooh oh oh  
We'll be OK oh ooh oh  
A hundred years from now  
Maybe we'll turn around and  
See the flowers growing in the battle grounds  
Let's go to sleep tonight, wake up another day  
When we can built a world that's made of  
different shades  
I still believe in love  
I still believe it's true  
I'm takin' where I've been and see what I can do  
I'm tryina make you see the way it ought to be  
Only love could set you free  
We'll be ok ooh oh  
Don't be afraid, you know  
Music will play ooh oh oh  
We'll be ok oh ooh oh  
We'll be ok ooh oh  
Don't be afraid, you know  
Music will play ooh oh oh  
We'll be ok oh ooh oh  
Hold my hand,  
You know we can learn to love again  
And I'll never hurt you! I'll be your friend  
Yeah, for better or worst

Just don't let go, goo!!  
We'll be ok ooh oh  
Don't be afraid, you know  
Music will play ooh oh oh  
We'll be ok oh ooh oh  
We'll be ok ooh oh  
Don't be afraid, you know  
Music will play ooh oh oh  
We'll be ok oh ooh oh
