

Guy Fawkes vs Che Guevara

Epic Rap Battles of History

[Intro]

EPIC RAP BATTLES OF HISTORY

GUY FAWKES

VS

CHE GUEVARA

BEGIN! [Che Guevara]

Guevara the terror, fresh Kangol wearer
Ill rhyme slayer from the 60's era
Revolting heavy metal rebel blood spiller
Me and my guerrillas are a squad of killers
I'm known worldwide for my steely-eyed look
You're famous cause of Alan Moore's third best book
All the children say we will be like Che
Asthmatic, but I'll take your breath away (wooo!)
You tried to rebel against James the first
Here's a tip for your next plot, try to rehearse!
I got my face on a magnet on your roommate's fridge
Your head is on a spike up on London Bridge!
You had one job cabrón, to strike a matchstick
Got caught with a fuse like your bars, not lit
You should have stayed anonymous Epic Fail Guy
Treat this battle like the gallows and take another dive

[Guy Fawkes]

As a communist it must really hurt
That your face has been cheapened, weakened, besmirched
Being plastered on posters, coasters, and shirts
Making capitalists rich off of you on merch
Right, I'm a pious man and I fight for the lord
I would cut you but I don't want your sweat on my sword
I was tortured until I could hardly sign my name
And listening to you felt pretty much the same (oooh!)
Face it Ernesto, you're Castro but less so
He's Cuba Commander you're more of the Destro
Revolt all you want I don't give two Guy Fawkes
But look at Venezuela what you're fighting for sucks

[Che Guevara]

Sucks? Guy, you died for the Catholics
A group with a bad touching little boys habit
And this porn star pilgrim look what's up with that?
It's more like V for very bad hat
Oh! What's the Fawkes say now?
(KA! KA KA KA KA-KA!)

When they cut your junk out
I'm the hardest Marxist ever graced a banknote
You're an error prone terrorist penny for the scapegoat[Guy Fawkes]
Don't try to boast 'bout your banknotes with Guido
You muddled your economy like mint in a mojito
This very battle disproves your communist initiative
These rhyme skills are not evenly distributed (aah!)
I'm Catholic I've got mass when I'm rapping
You're an ump-Che, that's Bay of Pigs latin
After what just happened you should retire
Is it the 5th of November? Cause I'm on fire![Outro]

WHO WON?

WHO'S NEXT?

YOU DECIDE!
