Some Nights

Fun.

Some nights I stay up cashing in my bad luck Some nights I call it a draw

Some nights I wish that my lips could build a castle Some nights I wish they'd just fall offBut I still wake up, I still see your ghost Oh, Lord, I'm still not sure what I stand for, oh(Oh-woah) What do I stand for?

(Oh-woah) What do I stand for?

Most nights I don't know anymoreOh, oh-woah, oh-whoah, oh Oh, oh-woah, oh-whoah, ohThis is it, boys, this is war, what are we waiting for?

Why don't we break the rules already?

I was never one to believe the hype

Save that for the black and white

I try twice as hard and I'm half as liked

But here they come again to jack my style

That's alright (That's alright)

I found a martyr in my bed tonight

She stops my bones from wondering just who I am, who I am, who I am Oh, who am I? Mmh, mmhWell, some nights I wish that this all would end

'Cause I could use some friends for a change

And some nights I'm scared you'll forget me again

Some nights I always win (I always win)But I still wake up, I still see your ghost Oh, Lord, I'm still not sure what I stand for, oh(Oh-woah) What do I stand for?

(Oh-woah) What do I stand for?

Most nights I don't know (Oh, come on)So this is it, I sold my soul for this Washed my hands and I died for this?

I miss my mom and dad for this? No (Come on)

When I see stars, when I see, when I see stars

That's all they are, when I hear songsThey sound like a swan, so come on (Oh, come on, oh, come on, oh, come on!)Well, that is it guys, that is all

Five minutes in and I'm bored again

Ten years of this, I'm not sure if anybody understandsThis one is not for the folks at home Sorry to leave, mom, I had to go

Who the fuck wants to die alone all dried up in the desert sun?My heart is breaking for my sister and the con that she called love

When I look into my nephew's eyes

Man, you wouldn't believe the most amazing things

That can come from some terrible liesOh, oh-woah, oh-whoah, oh Oh, oh-woah, oh-whoah, ohThe other night, you wouldn't believe the dream I just had about you and me

I called you up but we'd both agreeIt's for the best you didn't listen
It's for the best we get our distance, oh
It's for the best you didn't listen
It's for the best we get our distance, oh
