## Strung Out

i hurt myself again today  
im feelin a little numb  
i could use the pain  
i always find myself in this little bind  
it's been a few weeks  
since you been around  
so here i sit with my hands strapped down  
patiently awaiting those secret  
games i used to play alone  
so here i sit all tied up  
all alone with all my thoughts  
i do not mind if this goes on  
i think about what i'll say to you  
when you finally decide to go my way  
sitting around all painted like a fool  
and i don't know how i got this way  
and i don't know how much more i wanna take  
i know you'll shoot me down and bury me before i get to high  
so here i sit all tied up  
all alone with all my thoughts  
when will i learn to walk away  
from those things i do  
to make me feel the way i feel  
when i'm with you  
tonight it's me, myself and I  
yeah  
solitaire  
all this pain i seem  
to put myself through  
all the ways i find to submit to you  
cat'o'nine tails is getting old  
and i don't know how i got this way  
and i don't know how much more i wanna take  
a million ways to change myself and  
a million nights to try  
so here i sit all tied up  
all alone with all my thoughts  
when will i learn to walk away  
from those things i do  
to make me feel  
the way i feel  
when i'm with you

but tonight it's me, myself, and I  
when you come around  
do those things you do to me  
i hate this game of solitaire  
solitaire (solitaire)
