

# Tell Me Why (Taylor's Version)

## Taylor Swift

I took a chance, I took a shot  
And you might think I'm bulletproof but I'm not  
You took a swing, I took it hard  
And down here from the ground, I see who you are  
I'm sick and tired of your attitude  
I'm feeling like I don't know you  
You tell me that you love me then you cut me down  
And I need you like a heartbeat  
But you know you got a mean streak  
Makes me run for cover when you're around  
And here's to you and your temper  
Yes, I remember what you said last night  
And I know that you see what you're doing to me  
Tell me, why?  
You could write a book on how  
To ruin someone's perfect day  
Well, I get so confused and frustrated  
Forget what I'm trying to say, oh I'm sick and tired of your reasons  
I got no one to believe in  
You tell me that you want me, then push me around  
And I need you like a heartbeat  
But you know you got a mean streak  
Makes me run for cover when you're around  
Here's to you and your temper  
Yes, I remember what you said last night  
And I know that you see what you're doing to me  
Tell me, why?  
Why do you have to make me feel small  
So you can feel whole inside?  
Why do you have to put down my dreams  
So you're the only thing on my mind?  
I'm sick and tired of your attitude  
I'm feeling like I don't know you  
You tell me that you want me then cut me down  
I'm sick and tired of your reasons  
I've got no one to believe in  
You ask me for my love then you push me around  
Here's to you and your temper  
Yes, I remember what you said last night  
And I know that you see what you're doing to me  
Tell me, why? Why? Tell me, why?  
I take a step back, let you go  
I told you I'm not bulletproof  
Now you know
