

# Special Death

## Mirah

A terrible mistake was made  
The weight would break the backs of ten strong horses tried to save  
The castle in the frayed  
If you knew, that I could take the pain  
Inflicted at thou battle  
With faithful arrows  
You might get back in the saddle  
But It's a special death you say  
For me the brown eyed daughter  
Once you made it harder  
The thankless holy place  
Is left alone why bother  
To cast a stone in water  
La la la la la  
La la la la  
La la la la la la  
La la la la  
La la la la la la  
La la la la  
La la la la la
