

Waiting for You

Seal

everyday, a shade of blue
you won't believe, what i'm goin through
it just feels like i can't afford to let myself go
oh oh, noooeveryone, is just the same
they touch me, but i can't saythere has been no one brighter than you
i can't deny these things that i do
feels like the world's at stake 'cause
i have been waiting, i have been waiting for youheavenly, that's what you are
you're burning me, like a shining star
how am i supposed to be that king without you?
oh oh it's true
everyone, is just the same
they love me, but i can't saythere has been no one brighter than you
i can't deny these things that i do
feels like the world's at stake yeaaa
i have been waiting, i have been waiting for you(hey yea yea)there has been no one brighter
than you
i can't deny these things that i do
feels like the world's at stake 'cause
i have been waiting, i have been waiting for youi have seen no one brighter than you
i can't deny these things that i do
feels like the world's at stake yeaaaaa
i have been waiting, i have been waiting for you
(aaaaaa, for you, ba ba ba ba babaaaa, yea yea yea)
everyday i sit down and i feel like i'm waiting
for you
i've been waiting for you
for you
i have been waiting, i have been waiting for you
