

Straight Up (Ultimix Mix)

Paula Abdul

Lost in a dream I don't know which way to go
You aren't all that you seem And baby I'm movin' the way too slow
I've been a fool before Wouldn't like to get my love caught
In the slammin' door How about some information please Straight up now tell me
Do you really want to love me forever oh, oh, oh
Or am I caught in a hit and run?
Straight up now tell me Is it gonna be you and me together oh, oh, oh
Are you just having fun?
Time's standing still I wait for some small clue I keep getting chills When I think your love is
true
I've been a fool before Wouldn't like to get my love caught
In the slammin' door How about some information please
Straight up now tell me
Do you really want to love me forever oh oh oh
Or am I caught in a hit and run
Straight up now tell me Is it gonna be you and me together oh oh oh
Or are you just having fun?
You are so hard to read
You play hide and seek With your true intentions
If you're only playin' games
I'll just have to say: a-b-b-b-b-bye b-b-b-b-bye
Do do you love me Do do you love me
(baby)
Do do you love me Do do you love me
(tell me baby)
I've been a fool before
Wouldn't like to get my love caught
In the slammin' door
Are you more than hot for me
Or am I a page in your history book
I don't mean to make demands
But the word and the deed go hand in hand How about some information please (please please
please)
Straight up now tell me
Tell me
Straight up now tell me Tell me
Straight up now tell me
Tell me
Straight up now tell me
Straight up now tell me Straight up now tell me
Do you really want to love me forever oh oh oh
Or am I caught in a hit and run

Straight up now tell me
Is it gonna be you and me together oh oh oh
Or are you just having fun?
Straight up now tell me
Do you really want to love me forever oh oh oh
Or am I caught in a hit and run
Straight up now tell me
Is it gonna be you and me together oh oh oh
Or are you just having fun?
