

Hold Me Back

Rick Ross

I see how these niggas playin'
But I could adapt These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes won't hold me back
These hoes won't hold me back
These niggas won't hold me back
These niggas won't hold me back
I look in my fridge
My shit lookin' scarce
I got a few kids
We need some shit on the shelf
I get a knock at the door
They say my rent overdue
And while my niggas sell dope
And don't know what else to do
The only thing on my mind
I'm tryin' to keep on the lights
I call up my slime
I need a kilo tonight
Everything whipped well
I'm eatin' steak, no more soup
Then I parked the Caprice
I went and bought me a coupe
Everything takes time
But this shit came fast
Niggas standin' in line
They wanna hold me back
I multiplied my hustle
Stimulated my mind
Motivated my niggas
And we'll never divide, NO! These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes won't hold me back
These hoes wanna hold me back These hoes wanna hold me back

These hoes wanna hold me back
First I got me a Taurus
Then I copped me a Lexus
I took over Florida
My connect out of Texas
Then I start sippin' purple
Got my shit screwed
When you feedin' your circle
Watch your shipments improve
Fabricate 'bout your fortune
All my fabric's imported
Fornicate in my fortress
40k still my mortgage
24k my toilet
All my taxes reported
All my exes deported
Shout-out Texas, New Orleans
All these niggas influenced
By a hustler's endurance
I just bought me the purest
But I need some insurance
Niggas watch who you fuckin'
Just to hate on your bitches
Niggas breakin' the rules
Niggas facin' suspension
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
Momma workin' three jobs
'til I told her to quit
How we rose from the sewers
Funny now I'm the shit
Niggas ain't gettin' money
But they got an opinion
Had this tech makin' racket
Serve you like you were tennis
Killers ride for that paycheck
AK okay, check
Bitch nigga let's play chess
Yo bitch next, no latex
These niggas won't hold me back
Told the feds they sold me sack
Whip 'em right and then come right back
Whip-whip-whip 'em right and then come right back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes wanna hold me back
These hoes wanna hold me back

These hoes wanna hold me back
These hoes wanna hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
Pussy ass niggas
Pussy ass niggas
They all pussy ass niggas
Pussy ass niggas
Lookin' down on these niggas
Pussy ass niggas
Pushin' my new Ferrari
On these pussy ass niggas
Pussy ho
Pussy ho
She a pussy ho
Until she give me pussy ho
Pussy ho
Pussy ho
Pussy ho
She a pussy ho
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
