

# Hold Me Back

Rick Ross

I see how these niggas playin'  
But I could adapt These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These hoes won't hold me back  
These hoes won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
I look in my fridge  
My shit lookin' scarce  
I got a few kids  
We need some shit on the shelf  
I get a knock at the door  
They say my rent overdue  
And while my niggas sell dope  
And don't know what else to do  
The only thing on my mind  
I'm tryin' to keep on the lights  
I call up my slime  
I need a kilo tonight  
Everything whipped well  
I'm eatin' steak, no more soup  
Then I parked the Caprice  
I went and bought me a coupe  
Everything takes time  
But this shit came fast  
Niggas standin' in line  
They wanna hold me back  
I multiplied my hustle  
Stimulated my mind  
Motivated my niggas  
And we'll never divide, NO! These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These hoes won't hold me back  
These hoes wanna hold me back These hoes wanna hold me back

These hoes wanna hold me back  
First I got me a Taurus  
Then I copped me a Lexus  
I took over Florida  
My connect out of Texas  
Then I start sippin' purple  
Got my shit screwed  
When you feedin' your circle  
Watch your shipments improve  
Fabricate 'bout your fortune  
All my fabric's imported  
Fornicate in my fortress  
40k still my mortgage  
24k my toilet  
All my taxes reported  
All my exes deported  
Shout-out Texas, New Orleans  
All these niggas influenced  
By a hustler's endurance  
I just bought me the purest  
But I need some insurance  
Niggas watch who you fuckin'  
Just to hate on your bitches  
Niggas breakin' the rules  
Niggas facin' suspension  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
Momma workin' three jobs  
'til I told her to quit  
How we rose from the sewers  
Funny now I'm the shit  
Niggas ain't gettin' money  
But they got an opinion  
Had this tech makin' racket  
Serve you like you were tennis  
Killers ride for that paycheck  
AK okay, check  
Bitch nigga let's play chess  
Yo bitch next, no latex  
These niggas won't hold me back  
Told the feds they sold me sack  
Whip 'em right and then come right back  
Whip-whip-whip 'em right and then come right back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These hoes wanna hold me back  
These hoes wanna hold me back

These hoes wanna hold me back  
These hoes wanna hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These hoes wanna hold me back  
These hoes wanna hold me back  
These hoes wanna hold me back  
These hoes wanna hold me back  
Pussy ass niggas  
Pussy ass niggas  
They all pussy ass niggas  
Pussy ass niggas  
Lookin' down on these niggas  
Pussy ass niggas  
Pushin' my new Ferrari  
On these pussy ass niggas  
Pussy ho  
Pussy ho  
She a pussy ho  
Until she give me pussy ho  
Pussy ho  
Pussy ho  
Pussy ho  
She a pussy ho  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These niggas won't hold me back  
These hoes wanna hold me back  
These hoes wanna hold me back  
These hoes wanna hold me back  
These hoes wanna hold me back
