

A Girl Named Sandoz

The Animals

Well, I met a girl called Sandoz
And she taught me many, many things
Good things, very good things, sweet things I met her one sunny morning
It was hot but the snow lay on the ground
Strange things, very strange things, my mind has wings Sandoz, Sandoz who taught me love
Sandoz, Sandoz heaven's above
They could all learn something from your mind
Yeah, baby, come on
She is very old, you may think she's young
One kiss from her, you know your time has come
Good times, for all time, Sandoz, Sandoz, Sandoz, Sandoz
