

Dirty Ol' Man

The Three Degrees

oh!
Dirty
You're a dirty ol' man
You can't keep your hands to yourself
You're a dirty ol' man Go mess around with somebody else
Now I've done told you
That you can look but please don't touch
'Cause you don't understand what I mean Can't you see I'm not old enough
You say that ain't, ain't nothing but a number
You're much too experienced for me
Ooh, all you wanna do is take my love
All you want is another victory
Dirty ol' man
You can't keep your hands to yourself
You're a dirty ol' man Go mess around with somebody else
Next time you see me
You can speak but please don't stuck
'Cause I believed every word you said And here I am with a broken heart
You won your game now
Don't waste it on a date No, no, no, no, no
'Cause you're a married man
And I'm still free
Ooh, all you wanna do is take my love
All you want is another victory
Dirty ol' man
You can't keep your hands to yourself
Dirty ol' man
Go mess around with somebody else
A dirty, dirty
Dirty ol' man
A dirty, dirty
Dirty ol' man
A dirty, dirty
Dirty ol' man
