## Grizzly Bear

I know, I know  
The doors won't close  
The pipes all froze  
Just let it go I know, I know  
(Argue with me)  
The doors won't close  
(I've got plenty)  
The pipes are froze  
(of dishes and time)  
Just let it go  
(cords in a bind) I know, I know  
(knots that we make)  
The doors won't close  
(fatal mistakes)  
The pipes are froze  
(let's recreate)  
Just let it go  
(an easier time)  
I still can't find you  
'Cause I still can't find you
