

Young Volcanoes

Fall Out Boy

La de da da
La da da da da
La da da da da da
When Rome's in ruins
We are the lions
Free of the coliseums
In poison places
We are anti-venom
We're the beginning
Of the end
Tonight the foxes hunt the hounds
And it s all over now
Before it has begun
We've already won
We are wild
We are like young volcanoes (we are, we are, we are)
We are wild
Americana, exotica do you wanna feel a little beautiful oh baby ah!
La de da da
La da da da da
(Oh baby ah)
La da da da da da da
Oh come on make it easy
Say I never mattered
Run it up the flag pole
We will teach you
How to make boys next door
Out of assholes (ha ha ha)
Tonight the foxes hunt the hounds
And it's all over now
Before it has begun
We ve already won
We are wild
We are like young volcanoes (we are, we are, we are)
We are wild
Americana, exotica do you wanna feel a little beautiful oh baby ah!
La de da da
La da da da da
La da da da da da da
We are, we are, we are
La de da da
La da da da da

(we are)
La da da da da da
We are wild
We are like young volcanoes (we are, we are, we are)
We are wild
Americana, exotica do you wanna feel a little beautiful oh baby ah!
La de da da
La da da da da
La da da da da da da
Oh baby ah
La de da da
La da da da da
Oh baby ah
La da da da da da da
Oh baby ah
