

Someone to Watch Over Me

Susan Boyle

there's a saying old says that love is blind
still we're often told "seek and ye shall find"
so i'm going to seek a certain /lad i've had in mind
looking everywhere, haven't found him yet
he's the big affair i cannot forget
only girl/man i ever think of will regret i'd like to add her/him initials to my monogram
tell me where's the shepherd for this lost lamb there's a somebody i'm longing to see
i hope that he turns out to be
someone to watch over me
i'm a little lamb who's lost in a wood
i know i could always be good
to one who'll watch over me although i/he may not be the man some girls think of
as handsome to my heart
he carries the key
won't you tell her/him please to put on some speed
follow my lead, oh how i need
someone to watch over me
someone to watch over me
