

# Every Little Bit Hurts

[Brenda Holloway](#)

Every little bit hurts  
Every little bit hurts Every night I cry  
Every night I sigh  
Every night I wonder why  
You treat me cold  
Yet you won't let me go Every little hurt counts  
Every little hurt counts You say you're coming home  
Yet you never phone  
Leave me all alone  
My love is strong for you  
I'd do wrong for you  
I can't take this  
Loneliness you've given me  
I can't go on  
Giving my life away Oh, come back to me  
Darling, you'll see  
I can give you all the  
Things that you wanted before  
If you will stay with me, yeah Every little bit hurts  
Every little bit hurts To you, I'm a toy  
And you're the boy  
Who has to say  
When I should play  
Yet you hurt me, desert me  
Come back to me  
Darling, you'll see  
I can give you all the  
Things that you wanted before  
If you will stay with me, yeah Every little bit hurts  
Every little bit hurts  
Every little bit hurts  
Every little bit hurts
