

Tipper Gore

Alice Donut

Stick it in.

(Pull it out)

Stick it in.

(Pull it out)

Stick it in.

(Pull it out)

Stick it in.

TWIST IT! Spread your information,
Tipper Gore.

Mount the situation,
Tipper Gore.

Penetrate these problems, long and hard.

Yeah strain, strain, strain.

Strain, Strain Strain.

We stand behind you
Tipper Gore.

(La la la la la, La la la la la)

Uncovering and probing
Mother Gore.

(La la la la la, La la la la la)

Getting to the bottom
of it all.

(La la la la la, La la la la la)

Strain Strain Strain.

Strain Strain Strain. You're such a master
at perversity.

No one knows

Filth and obscenity like you.

You've got your finger

Right on it.
