

God Must Have Spent a Little More Time On You

*NSYNC

Yeah

Yeah

Oh yes

Oh, oh

Yeah, yeah Can this be true?

Tell me can this be real?

How can I put into words what I feel?

My life was complete

I thought I was whole

Why do I feel like I'm losing control?

Never thought that love could feel like this

And you changed my world with just one kiss

How can it be that right here with me

There's an angel

It's a miracle

Your love is like a river, peaceful and deep

Your soul is like a secret that I never could keep

When I look into your eyes I know that it's true

God must have spent a little more time on you In all of creations all things great and small

You are the one that surpasses them all

More precious than any diamond or pearl

They broke the mold when you came in this world

And I'm trying hard to figure out

Just how I ever did without

The warmth of your smile

The heart of a child

That's deep inside

Makes me purified Your love is like a river, peaceful and deep

Your soul is like a secret that I never could keep

When I look into your eyes I know that it's true

God must have spent a little more time on you

On you, on you, on you, you

On you, on you, on you, you

(Yes he did baby)

On you, on you, on you, you

On you, on you, on you, you

(Yeah) Never thought that love could feel like this

And you changed my world with just one kiss

How can it be that right here with me?

There's an angel

It's a miracle Your love is like a river, peaceful and deep
Your soul is like a secret that I never could keep
When I look into your eyes I know that it's true
God must have spent a little more time on you
God must have spent (on you, on you, on you, you)
A little more time
On you...
(Yeah)
A little more time
On you
