

# I Believe I Can Fly

James Ingram

I used to think that I could not go on  
And life was nothing but an awful song  
But now I know the meaning of true love I'm leaning on the everlasting arms  
If I can see it, then I can do it  
If I just believe it, there's nothing to it I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away I believe I can soar  
I see me runnin' through that open door  
I believe I can fly, I believe I can fly  
I believe I can fly  
See I was on the verge of breakin' down  
Sometimes silence can seem so loud  
There are miracles in life I must achieve  
But first I know it starts inside of me  
If I can see it, then I can be it  
If I just believe it, there's nothing to it I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away I believe I can soar  
I see me runnin' through that open door  
I believe I can fly, I believe I can fly  
I believe I can fly, if I just spread my wings  
If I can see it, then I can do it  
If I just believe it, there's nothing to it  
I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away I believe I can soar  
See me runnin' through that open door  
I believe that I can fly, I can fly  
I believe I can fly, I can fly  
I believe I can fly, I can fly  
If I just spread my wings, I can fly  
I can fly, I can fly  
Can I hear the choir say  
I can fly I believe that I can fly and touch the sky  
I know I can fly  
I believe that I can fly and touch the sky  
I can fly, I can fly, I can fly  
Oh I know I can, I can fly  
I can, I can fly, I can fly  
I can fly
