

Loco de Amor

David Byrne

There's an island in a bay
(loco de amor)
She's got most peculiar ways
(crazy for love) Otocum? yand? otocum? yand?
All the people in the street
(loco de amor)
Ev'rybody that I meet
(crazy for love)
Otocum? yand? otocum? yand?
Shaky house and shaky home
(loco de amor)
So whatever turns you on
(crazy for love) My wild thing
My wild thing
My little wild thing
Yeah my wild thing Yen yer? cumb? yen yer? cumb?
Like a pizza in the rain
(loco de amor)
No one want to take you home
But I love you just the same / (crazy for love)
My wild thing
Hey hey my wild thing
My little wild thing
Hey hey my wild thing
Hey hey hey Yen yer? cumb? yen yer? cumb? ...
