Play Dead

The Birthday Massacre

And boys are so cold They speak without meaning The only time they talk is in their sleepAnd girls are a bore Their touch without feeling Their secret's always far too grim to keepAnd up until now You've lived in their shadows Trying hard to please themBut they'll never change As long as they're breathingThinking hurts and thoughts don't rhyme To those of us who've never tried To find a face behind our lipstick smiles And as our pretty faces die Our broken hearts will wonder why The make-up just won't hide the scars of timeAnd boys are so cruel So don't let them find you tonight And girls are so vain So put them behind you tonightI'll cast you a spell A magic where everyone plays dead forever And after tonight they'll never remind youThinking hurts and thoughts don't rhyme To those of us who've never tried To find a face behind our lipstick smilesAnd as our pretty faces die Our broken hearts will wonder why The make-up just won't hide the scars of time Thinking hurts and thoughts don't rhyme To those of us who've never tried To find a face behind our lipstick smilesAnd as our pretty faces die Our broken hearts will wonder why The make-up just won't hide the scars of time
