

# Letters from the Sky

## Civil Twilight

One of these days the sky's gonna break  
And everything will escape and I'll know  
One of these days the mountains  
Are gonna fall into the sea and they'll know That you and I were made for this  
I was made to taste your kiss  
We were made to never fall away  
Never fall away One of these days letters are gonna fall  
From the sky, telling us all  
To go free  
But until that day I'll find a way  
To let everybody know that you're coming back  
Mmmm you're coming back for me  
Cause even though you left me here  
I have nothing left to fear  
Fears are only walls that hold me here  
Hold me here  
Hold me here  
Hold me here  
Only walls that hold me here  
One day soon I'll hold you like the sun  
Holds the moon  
And we will hear those planes overhead  
And we won't have to be scared  
Cause we won't have to be  
Yeah...  
Cause we wont have to be, yeah, scared, no You're coming back for me  
You're coming back for me  
You're coming back for me  
You're coming back for me You're coming back for me  
You're coming back for me  
You're coming back for me  
You're coming back for me  
You're coming back for me  
You're coming back for me  
You're coming back for me  
You're coming back for me You're coming  
You're coming back for me  
You're coming back for me You're coming back for me  
You're coming back for me  
You're coming back to me  
You're coming back to me You're coming back for me  
You're coming back
