

On a Roll (feat. Abra Cadabra)

Avelino

(Oh!)

(Yeah!)

I gave myself a shot and it wasn't suicide.

Made it half a nigga; it was do or die.

I knew I wouldn't suit a suit and tie,

For the weekend times two,

But there's no you and I.

It's a doggy dog world,

He was right.[CHORUS]Fuck what they think they know.

I don't trust none of these niggas, no.

I'm getting money, they think I'm broke.

The true definition of livin' low.

I'm getting money, they think I'm broke.

I'm with my dates, I won't dish them out.

Don't hate the crime, hate the criminal.

Two pretty woman, I kiss them both. Getting money with the whole team. Bounce with me,
bounce with me.

Keep an ounce on me.

Even got an accountant to account for me. Getting money with the whole team. And I've been on
my own,

If only you knew what I've been through. (Shit, yeah!) I've been on a roll (oh oh ohhh)[END OF
CHORUS][VERSE 1]

Still no honour roll.

I'm going in like I don't wanna go,

With some ting that just wanna roll.

I'm getting licked and collar boned,

Tell 'em go phone, no domino. (Yeah!) But I came to the livin'.

Love gold, cause it's from the same place as a nigga.

Talking about the rock, ye ain't game, ye ain't jigga.

You ain't got name but the name in your Twitter. I just bought the drug, he said "want blow?"

But do we throw my cents, don't wanna Diablo.

You're trying to be Escobar, I'm trying to be Pablo,

But if you ain't talking money: me no hablo. There's hoe's in your team, with your whole T.

How the fuck you spending money when you OP.

I'mma need a One Dance, like an OT.

Man, I'm real controlla, you know me?[END OF VERSE 1][CHORUS][VERSE 2]I've been on
my grind for one day.

Shawty (Shawty), you're fucking G in the same way.

Shawty wanna leave me on a lewa.

She won't show it or drop it until she say somethin' They want to take another drive with me,
(drive with me)

All these bitches, they ride with me. (they ride with me)

I just got bitches surroundin' me. (surroundin' me)
My niggas will take them away from me.I just want to make it from my hood to my whole
T.Because I'll be killing these shows,
And they might be thinking of something but they don't know me.They don't know me.[END
OF VERSE 2][CHORUS]
