

# I'm On Patron

Paul Wall

im on patron i just took some shots to tha dome,  
im gone, so gone, so yo can i get a ride home  
im on patron i just took some shots to tha dome  
im gone, so gone, so yo can i get a ride home  
hey wat it do,  
im on like a light switch  
my wrist well froze up like a computer glitch  
im drinkin 151 karaboolu take nine gone get it jumpin  
like a kangaroo is it cho birthday lets go on have  
a shot or two my partner glu you put me on to somthin new  
snuck in a gallon of lemonade from chic-fil-a  
mix it up with this a rokin' we gona partay  
im lookin for a hot girl that like ta ay baybaybay  
come out and play lets see ya shake it this way  
that patron clear as day im on that hard  
im gettin lit wit my dawgs havin a party with  
there brods...  
im on patron i just took some shots to tha dome,  
im gone, so gone, so yo can i get a ride home  
im on patron i just took some shots to tha dome  
im gone, so gone, so yo can i get a ride home  
gone and poppin' another bottle get this party to crakin  
all these barby doll models make the champs start backin  
550s everywhere nothing cant depend it, hes on his fifth premiere  
at seven it aint even eleven  
thug boss slim thug drikin gpo greygoose patron and orange juice  
po me som mo  
now box and poppy joe just ordered the rose mo  
drunkin duces to my partner how i see him big go  
im loaded like a full clip  
leanin like a sinkin ship  
lit up like a christmas tree  
how much throwd up can i get  
c stone and lil'c  
bringin out the yeager bomb  
if i get pulled over dj jonny can pay my bond off...  
im on patron i just took some shots to tha dome,  
im gone, so gone, so yo can i get a ride home  
im on patron i just took some shots to tha dome  
im gone, so gone, so yo can i get a ride home  
i keep bumpin into people say man my bad  
im intoxicated a tad and the dj had to be

miskin mike and scad my family gettin slammed  
needs a cool waiges bought around another damn grand  
man im so throwed i cant think  
who the hell been puttin they lips on my drink  
what the hell the waitress doin wit my change  
mabey some red bull will help you sober up  
matter fact mix it wit this greygoose in my cup  
i can barely stand up im about to throw up  
if you cant roll with the big dawgz go hang wit the pups...  
im on patron i just took some shots to tha dome,  
im gone, so gone, so yo can i get a ride home  
im on patron i just took some shots to tha dome  
im gone, so gone, so yo can i get a ride home
