

# My Life (feat. Cee Lo Green)

## Slaughterhouse

This is my life (my life, oh yeah)  
This is my life (my life, oh yeah)  
This is my life S-L-A U-G-H T-E-R-H-O-U-S-E  
Yes we are the best in the biz  
The west in the bitch  
This Eastside money over coochie man  
645 when dip through the burbs  
I be on my Gucci Man  
Smash on the gas, kick a bitch to the curb  
House in the hills, thousands and mills  
Getting wild in the field with your spouse in Brazil  
On ounces and pills, how does it feel?  
To count dollar bills that I found off skills  
Check it out, Jets fly private  
Nigga S5 Hybrid, baby test drive my whip  
I'm in Bed Stuy with my chick  
On my westside fly shit  
Pulling out minks when the weather get chilly  
Left Eye side kick  
Now don't you niggas go chasing waterfalls  
These bitches wall to wall  
And they love...  
This is my life (my life, oh yeah)  
This is my life (my life, oh yeah)  
Jets fly private, Nigga S5 Hybrid, Baby test drive my whip  
This is my life (my life, oh yeah)  
Jets fly private, Nigga S5 Hybrid, Baby test drive my whip  
This is my life (my life, oh yeah)  
This is my life Sometimes I look around and I just  
I just can't believe it  
I'm on a high like a falsetto  
Maybe that's why I feel like I'm dreaming  
My eyes just quit  
Look what I'm seeing, my life just shifted  
I feel like I'm breathing  
Light that spliff, now I don't even smoke cause it burn my throat  
but tonight I'm steaming  
'Tron in my cup, holding mine up, toasting to the slut that I know I'm gon' fuck  
In these five star sheets, put her right to sleep  
Then kick the bitch out when I wake up  
Even though baby girl got a large ol' ass  
I remember praying that my car goes last

Now my car so fast that I dont think you'll understand it in a Murcielago dash  
When you ride through the dirt and you work til it hurt than you end up on Marshall's staff  
Hoping that your granny get to see you at the Grammy's  
Get a call from your family that your grandma passed  
Then you know what you promised her  
So that you stay hot as a, thermometer, dipped in lava  
So proud to be part of a conglomerate, like this  
This is my life (my life, oh yeah)  
This is my life (my life, oh yeah)  
Jets fly private, Nigga S5 Hybrid, Baby test drive my whip  
This is my life (my life, oh yeah)  
Jets fly private, Nigga S5 Hybrid, Baby test drive my whip  
This is my life (my life, oh yeah)  
This is my lifeEvery time that they play this  
Put your hands up high if  
You're happy you made it  
Instead of sleep when I say it  
But since I'm alive, might as well celebrateThis is my life (my life, oh yeah)  
This is my life (my life, oh yeah)  
Jets fly private, Nigga S5 Hybrid, Baby test drive my whip  
This is my life (my life, oh yeah)  
Jets fly private, Nigga S5 Hybrid, Baby test drive my whip  
This is my life (my life, oh yeah)  
This is my lifeWhat a success story  
When the film plays it gets less gory  
My son didn't know who his pop was for years  
Now its less Maury, God put it there as a test for me  
Used to walk around with a vest at 40  
Cops tryna mess hall me  
Now babes with the 44F's adore me  
I took the rock and a hard place and made the best orgy  
Now the fans approach I get paranoid  
Where I'm from tell me never let you're guard rest  
But it's simple to disregard stress  
Hoes run to the pole and they far fetchedNow jets fly high s\*\*\*  
That Panamera Porsche that's Ryan's fly whip  
As a kid I was playing tag, now I'm it!  
For those of ya'll that don't remember me  
I'm a Detroit old Parker  
Went from no office to offers  
I told ya'll I would get my daddy out the post office  
And so far I don't really need to own my city  
Just as long as the D is on my fitted  
My sons and my daughter and my wife is along for the ride  
This is the motherfucking lifeThis is my life (my life, oh yeah)  
This is my life (my life, oh yeah)  
Jets fly private, Nigga S5 Hybrid, Baby test drive my whip  
This is my life (my life, oh yeah)  
Jets fly private, Nigga S5 Hybrid, Baby test drive my whip

This is my life (my life, oh yeah)

This is my life
