

Don't Mind If I Do

Mac Miller

Ah-ha!

Mhm

Don't mind if I doHey, it seems like every day

I gotta filled up phone

Ladies tryna text me

sayin that they home for the Summer

and they heard that I'm livin on my own

so they wanna come to the crib

maybe cook me some supper

but I'm busy, so I'm ignorin her

yeah I just touched down in California

now I'm headed to the beach

gon' swim in the water

like I'm tryna sneak in across the border

I do, all different types of crazy shit

I'm the youngen hoes tryna make a baby with

'cause it'll make 'em rich

Know I'm headed to the money

So these funny little girls wanna take a trip

But no, only the M.O.S.T. dope with me

other fools home or, boy? and cig freeNo disrespect though,

I gotta get that cigarette flow

for the green pesto, prestoI'd like to make myself believe

that planet earth turns, slowly

It's hard to say that I'd rather stay awake when I'm a sleep

'Cause everything is never as it seems

Me I'm highly underestimated

so educated that gettin paid quick

If you ever hated anticipate that I'm famous

Got a bunch of bitches to sip on the champagne with

Celebrate that we seein' another day, life good

Never wanna end this

Me & Mary Jane got a really nice friendshipYeah they give me money

but I gotta go and spend it

Man, I been a bad little jew

but I gotta pay the bills now

so I gotta chill out

I ain't walkin round like I'm splurging wit a mil nowFeel like the kid workin at the mill now

Used to just chill and smoke joints up at Bills house

Now I gotta schedule, things I gotta do

Doin' interviews, see it up on youtube

I say it feels just like a dream

'bout to wake up from a nap
How fucked up was that like I'd like to make myself believe
that planet earth turns, slowly
It's hard to say that I'd rather stay awake when I'm a sleep
'Cause everything is never as it seems Just some motha fuckin' kids
We just some motha fuckin' kids
