

# Make a Move (Skrillex Remix)

## Torro Torro

I've got the feeling  
I'm in the mood  
You've got the healing  
Do you feel it too?  
Move for me tonight?  
Why don't you make a move?  
Move for me tonight?  
Why don't you make a move?  
Why don't you make a move?  
I've got the feeling  
I'm in the mood  
You've got the healing  
Do you feel it too?  
Move for me tonight?  
Why don't you make a move?  
Move for me tonight?  
Why don't you make a move?  
Why don't you make a move?
