

Survivors

Passenger

[Verse 1]

Oh life

Is just a game

No one ever tells you how to play

See different people

Go different ways

Some of them will leave you but

Some of them will stay[Verse 2]

Well our hearts keep drumming

And the years keep coming

Quicker than they've ever been

You're sick of the same thing

But it's quicker than changing

It's too late to begin

[Pre-Chorus]

Well everybody's running but

You don't know where

Time is running thin

Everybody's looking for somebody to love

But we're scared to let them in[Chorus]

And I say oh oh oh

Are there any survivors?

Am I here alone?

I say oh oh oh

Are there any survivors?

Am I here alone?

Am I on my own?

Am I on my own?

[Verse 3]

Oh love

It comes and goes

But no one never tells you how to learn to let go

Different people, they walk different roads

Some of them will hurt you but

Some of them won't[Verse 4]

Well the bridge is burning

And the wheel keeps turning

Quicker than it did before

Your heart screams "yes"

Your head says "no"

And you're never really sure[Pre-Chorus]

Well everybody's running

But you don't know why
Time is running short
Everybody's looking for a place to hide
So there's no one left at all[Chorus]
And I say oh oh oh
Are there any survivors?
Am I here alone?
Yeah I say oh oh oh
Are there any survivors?
Am I here alone?[Bridge]
Am I here alone?
Oh oh oh
Am I here alone?
Oh oh oh[Chorus]
Yeah I say oh oh oh
Are there any survivors?
Am I here alone?
And I say oh oh oh
Are there any survivors?
Am I here alone?[Outro]
I say oh oh oh
Are there any survivors?
Am I here alone?
Oh oh oh oh oh
Are there any survivors?
Am I here alone?
