

# Hi-Tone

## Ritchie Valens

Hy-Tone, Hy-Tone All the fellas call my baby, Hy-Tone Hy-Tone  
They all think she's always acting, Hy-Tone Hy-Tone  
Sweet sixteen, doesn't wear jeans  
Walks around the campus  
Like a high school queen  
That's why all the fellas think she's, Ty-Tone But when I'm the only one around  
She lets her hair down  
She's just-a boppin', baby  
An a crazy little clown  
She may be shy  
With the other guy  
But when she's with me  
Oh, my! Let the other fellas call her Hy-Tone Hy-Tone  
They all think she's always acting Hy-Tone Hy-Tone  
'Cause when we're alone  
She's all of my own  
And that's why I love, Hy-Tone But when I'm the only one around  
She lets her hair down  
She's just-a boppin', baby  
An a crazy little clown She may be shy  
With the other guy  
But when she's with me  
Oh, my!  
Let the other fellas call her Hy-Tone Hy-Tone  
They all think she's always acting Hy-Tone Hy-Tone  
'Cause when we're alone  
She's all of my own  
And that's why I love, Hy-Tone 'Cause when we're alone  
She's all of my own  
And that's why I love, Hy-Tone.
