## Gerard Way

I can't swim, don't rub it in  
I'm gonna run a little faster  
I can't swim, so plug it in  
Me and my heavy metal master  
Down and around where the cops go down  
Down and around where the cops go down on you  
Jump around to the cop show sound  
Sing death to the crowned man  
I can't swim, don't rub it in  
I'm gonna run a little faster  
I'm Greg Ginn  
I'm runnin' scared  
I'll sell the glitter for the plaster  
Down and around where the cops go down  
Down and around where the cops go down on you  
Jump around to the cop show sound  
Sing death to the crowned man

We got it  
We got it  
We got it  
We got it  
We got it  
We got it, oh  
I want it  
I want it  
I want it  
I want it  
I want it

I want it now

I can't swim, so plug it in  
I'm gonna run a little faster  
I can't swim, so plug it in  
Me and my my heavy, my heavy girl  
Down and around where the cops go down  
Down and around where the cops go down on you  
Jump around to the cop show sound  
Get it straight 'cause I'm down, man

I can't swim

I can't swim (Esto es lo que quiero ser, soñando quiero más, respirando calor, estoy cambiando el sol, estoy cambiando mi centro, estoy quemando las sombras temporales de pistolas.)

I can't swim

I can't swim

I can't swim
