If it ain't 'bout the money (ayy, gang)[Verse 3: YBN Nahmir]  
(Grra!)

One day they caught me loafin' after droppin' off my bitch (droppin' off my bitch)  
They sent a couple shots but I'm just glad that nigga missed (on the gang, nigga)  
Ducked down and started clapping, tried to flip that hoe, whip (grra, pow, pow, pow)  
But I would rather take a life before my my mama see me stiff (ayy, that's on my mama)  
So I'm clutchin' on that .44 when I'm trippin' (ayy, grra, pow, pow, pow)  
Trey paralyzed but I'm just glad that nigga livin' (ayy, I'm just glad that nigga livin')  
Please don't come to me when that nigga granny end up missin' (when that nigga end up missin')  
I was coolin' out in Cali, workin', bitch, I was gettin' it (ayy, workin', bitch, I was gettin' it,  
huh)[Chorus: Yung Bans]

Ridin' with the .40, ridin' with the .40 with a beam, huh, yeah  
Dollar signs all I see

If it ain't 'bout the money, I ain't worried 'bout it, yeah

If it ain't 'bout the money, huh, ayy

Ridin' with the .40, ridin' with the .40 with a beam, huh, yeah

Dollar signs all I see

If it ain't 'bout the money, I ain't worried 'bout it, yeah
