

# A Little Bit Stronger

Sara Evans

Woke up late today and. I still feel the sting of the pain  
But I brushed my teeth anyway  
I got dressed through the mess and put a smile on my face I got a little bit stronger  
Riding in the car to work and I'm trying to ignore the hurt  
So I turned on the radio, stupid song made me think of you  
I listened to it for minute but then I changed it I'm getting a little bit stronger, just a little bit  
stronger  
And I'm done hoping that we could work it out  
I'm done with how it feels, spinning my wheels  
Letting you drag my heart around, and oh I'm done thinking that you could ever change  
I know my heart will never be the same  
But I'm telling myself I'll be okay  
Even on my weakest days  
I get a little bit stronger  
It doesn't happen overnight but you turn around  
And a month's gone by and you realize you haven't cried  
I'm not giving you a hour or a second or another minute longer I'm busy getting stronger  
And I'm done hoping that we can work it out  
I'm done with how it feels, spinning my wheels  
Letting you drag my heart around, and oh I'm done thinking, that you could ever change  
I know my heart will never be the same  
But I'm telling myself I'll be okay  
Even on my weakest days, I get a little bit stronger I get a little bit stronger  
Getting along without you, baby  
I'm better off without you, baby  
How does it feel without me, baby?  
I'm getting stronger without you, baby  
And I'm done hoping we could work it out  
I'm done with how it feels, spinning my wheels  
Letting you drag my heart around, and oh And I'm done thinking that you could ever change  
I know my heart will never be the same  
But I'm telling myself I'll be okay  
Even on my weakest days  
I get a little bit stronger  
I get a little bit stronger  
Just a little bit stronger  
A little bit, a little bit, a little bit stronger  
I get a little bit stronger
