

Alone

Ohio Players

Introductory: This is the first time I did this. Whoo! But I love it! (laughs) I just want to take you away a minute. This song I'm about to do today is like a spiritual song, it's a piece of my heart.

You see I'm the oldest of four-teen kids. Because I was the first one, mama said that may be king. So I went out and bought me a ring (laughs) But I found out later in life... that don't mean nothing.

Even though I come from that great big o'l family with four-teen kids. For some reason I've never felt like I had anybody by my side until I ran to these bad, bad, players and bad, bad, listeners. You know what I'm talking about.

Name of this song is called " I Don't Wanna Be Alone"

Listen...

I don't want to be, I don't want to be alone
I don't want to be alone yeah anymore, well
I don't want to be alone well shut that door

This is just a silly game girl
That we are playing yeah, well
I'll even take your blame yes I will oh well
Hear what I am saying child, I'm so ashamed
I don't want to be alone, well anymore

I don't want to be alone, well

Somebody pick me up off the floor Listen they said that you and I will be together

From now on but if you walk out that door girl

I won't see you no more I don't want to be alone well, anymore

I don't want to be alone

Somebody help me sing

Somebody pick me up off the floor

cho-cha, cho-chada, cho-chada, cho-chada,
cho-chada, cho-chada, cho-chada, cho-chada,

Do-do, do-do, you

Cho-cha, cho-chada, cho-chada, du-du, do-da, do-du, da-du

they said that you and I will be together from now on

But if you walk out the door girl

I won't see you no more I don't want to be alone well anymore

I don't want to be alone

I don't want to be alone somebody help me yeah

Somebody pick me up off the floor

I don't want to be alone

I don't want to be

I don't want to be alone
