

# Step On My Old Size Nines

## Stereophonics

I'd like to know what it's all about  
What's out there  
Am I gonna get old and laugh?  
About something Will I get me a boy or a girl?  
Or not either  
Will I get what I want from this world?  
I'm a day dreamer Then I watched  
The old couple dance  
Step on my old size nines  
And I'll take you round I'd like to know what you're all about  
What's up there  
Are you gonna get old and laugh?  
Without a care  
Will you get you a boy or a girl?  
Or not either  
Will you get what you want from this world?  
A day dreamer Then I watched  
The old couple dance  
Step on my old size nines  
And I'll take you round I'd like to know what we're all about  
What we all have done  
Am I gonna get old and laugh?  
With someone Think I'll get me a boy and a girl  
Or not either  
Will I get what I want from this world?  
I'm a day dreamer  
Then I watched  
The old couple dance  
Step on my old size nines  
And I'll take you 'round...
