

# Back In Stride

## Maze & Frankie Beverly

There's so much going on it's crazy trouble all around  
I'll tell you something I'm not gonna let it get me down  
I been going through some funky changes changes are the same  
We like the joy but we can't really stand the pain I'm just happy to see you and me  
Back in stride again  
I'm just happy to see you and me  
Back in stride again I'm gonna try to keep it coming things ain't always smooth  
But I'll be alright as long as I can feel the groove  
Some how I know that I can make it you seem to like my style  
Well don't you worry I'm gonna be around awhile I'm just happy to see you and me  
Back in stride again  
I'm just happy to see you and me  
Back in stride again  
Tell you what I'm gonna do  
I just want to be with you  
Gonna give it all I can  
Yes I'm back in stride again There's so much going on it's crazy trouble all around  
I tell you something I'm not gonna let it get me down  
I been going through some funky changes changes are the same  
We like the joy but we can't really stand the pain I'm just happy to see you and me  
Back in stride again  
I'm just happy to see you and me  
Back in stride again Tell you what I'm gonna do  
I just want to be with you  
Gonna give it all I can  
Yes I'm back in stride again  
Back in stride again  
Back in stride again  
Back in stride again  
Back in stride again
