

# Got It All

## Professor Green

(Professor Green)  
(Wagwan?)  
(Professor)(Ha)  
(Teach me something, Professor) (Alright, okay)  
(Gold fingers) You got it all  
You got it from me  
You got it all  
You got it from me  
Oh babe you got it all  
You got it from me  
You got it from me  
You got it from me  
Take me how you find me  
Mind yourself, don't mind me  
Who are you? Remind me (who are you, bluh?)  
Used to cycle from Holloway to Highbury  
Just to shot a 9B, that's a nine bar  
Called Paul Street, drive car (beep beep)  
Get in a beep beep when I drive past  
Swear it's speedin', drive fast  
Slide past, wavin' goodbye to pals (byw)  
Why am I puttin' in?  
If I ain't gettin' out what I'm puttin' in?  
I ain't worried about what could've been (why not?)  
'Cause if it should've been it would've been  
You got it all  
You got it from me  
You got it all (I got what?)  
You got it from me (I got a lot)  
Oh babe you got it all (I got what?)  
You got it from me (I got a lot)  
You got it from me (I got what?)  
You got it from me (I got a lot) My ex is your next, that's the TBD  
She text me to link up, that's the TBC  
Might see me on the road, or the BBC  
Everybody on road, gonna pree pree me (said that's my man!)  
It's a long ting, what's-your-name-where-you-from? Ting  
Nowadays everybody's on fings  
We should link up, have a little drink up  
I still say what I think blud  
It's the wizard, in the fur like I'm in a blizzard  
Eatin' MC's for desert (packin' it up)

I'm a grown man, I don't leave shit to karma  
I take it, it's in my own hands You got it all  
You got it from me  
You got it all (I got what?)  
You got it from me (I got a lot)  
Oh babe you got it all (I got what?)  
You got it from me (I got a lot)  
You got it from me (I got what?)  
You got it from me (I got a lot) Right to it, I'll get right to it  
Nobody can do it the way I do it (hm)  
Run free, fly for it  
And if I said hello before I'll say goodbye to you (bye bye)  
Bye bye, used to call tings my size  
Now I'm in Thais drinkin' mai tais (cheese)  
Welcome to my world  
Is that your girl or is it my girl? (do not)  
Tryna figure out what the difference is (hm)  
Between you and me's a couple differences (still)  
You made money, I made more  
I get what I want, you get what you pay for You got it all (I got what?)  
You got it from me (I got a lot)  
You got it all (I got what?)  
You got it from me (I got a lot)  
Oh babe you got it all (I got what?)  
You got it from me (I got a lot)  
You got it from me (I got what?)  
You got it from me (I got a lot) Got it all (I got what?)  
You got it from me (I got a lot)  
You got it all (I got what?)  
You got it from me (I got a lot from)  
Oh babe you got it all (I got what from you?)  
You got it from me (I got a lot from you)  
You got it from me (I got what from you?)  
You got it from me (I got a lot from you) Got a  
I got a  
I got what from you?  
I got a lot from you
