You know you the bomb, don't cha  
Ooh, ooh ooh, baby you, yeah, yeah, yeah  
My my my my my my my my my  
My baby, ooh, baby You musta just fell from the sky  
'Cause I never had any girl like you in my whole life  
Your lips, your smile, personality assumes  
A confidence that comes on my moods  
And you work as hard as me  
But I'm always first on your list of priorities  
You're killin' me softly, so softly  
There's only one word that describes  
This woman in my life  
She's awesome  
Everything a man wants in a woman  
Baby girl, you're one in a million  
Top billin', second to none  
Where did you come from  
Awesome awesome  
Baby girl you know you are so awesome Everything a man wants in a woman  
Baby girl, you're one in a million  
Top billin', second to none  
Where did you come from  
Awesome awesome  
Baby girl you know you are so  
If we was thuggin' you'd be a d.a.b  
You'd have my back and even take the fall for me  
Good clean and all the little things  
It would turn you on on on on on on on on  
And I could come our flower, I ain't never wrong  
What's yours is mine, and what's mine is yours  
Baby, and that's why I love you girl  
Said I'd go to the ends of the world for my girl She's awesome  
Everything a man wants in a woman  
Baby girl, you're one in a million  
Top billin', second to none  
Where did you come from
