

24/7

Meek Mill & Ella Mai

[Intro: Beyoncé]

End, that's what I found out [Chorus: Ella Mai]

Tell me how you want it, yeah

Call me and I'm on my way

Tell me that you need me, yeah

I'll give it to you night and day

I'm talkin' 'bout Monday, Tuesday, Wednesday, Thursday, Friday Saturday, Sunday

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday

All day, 24/7

Yeah, all day, 24/7

[Verse 1: Meek Mill]

Uh-huh-uh

Lovin' the shit out you, fuckin' the shit out you

For seven days straight, and now I can't even live without you

And if we ever broke up, I won't have a kid without you

You forever in my heart, I won't forget about you

I be crushin' you on Monday like it's Wednesday

You pressed about that nigga, what your friends say?

Oh, G63 is what your Benz say

I'm so happy you ain't listen to your friends, babe

You can tell me how you want it, how you need it, I don't mind

Need you right here by my side, 'cause out of sight is out of mind

And out of spite you hit decline, but I was hype

I hit your line a few more times than you hit back I'm gon' respond

[Chorus: Ella Mai & Meek Mill]

Tell me how you want it, yeah

Call me and I'm on my way (On my way, on my way, woah)

Tell me that you need me, yeah

I'll give it to you night and day (Night and day, night and day, go)

I'm talkin' 'bout Monday, Tuesday, Wednesday, Thursday, Friday Saturday, Sunday

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday

All day, 24/7

Yeah, all day, 24/7 [Verse 2: Meek Mill]

Uh, yeah

You be throwin' that shit back like it's a Thursday

I be treatin' you like everyday your birthday

Them hoes ain't fuckin' with you on your worst day

I got you on a new level like what Ferg say

When you fell down, I pick you up

Put on your crown, and lift you up

I put a rock all on your finger, so much ice could push a puck

Heard they feelings 'bout you, baby, tell them hoes I wish 'em luck

Talkin' relationship goals, this could be us, yuh  
24/7, what's the 411?  
When you see me kneel like Kaepernick, call a reverend  
See, I got a milli' in a stash for a weddin'  
If you ready, let me know, 'cause it's whatever[Bridge: Ella Mai]  
But I know you in the worst way  
Yeah, our anniversary  
'Bout to suit up on my birthday  
'Cause I know they keep you thirsty  
Ain't no playin', this is us  
Boy, be gentle, ain't no rush  
365, you're the only one I trust  
No, I can't get enough  
And all my ladies, if you feel me, help me sing it out  
Yeah, yeah  
I'm talkin' 'bout Monday, Tuesday, Wednesday, Thursday, Friday Saturday[Chorus: Ella Mai]  
Tell me how you want it, yeah  
Call me and I'm on my way  
Tell me that you need me, yeah  
I'll give it to you night and day  
I'm talkin' 'bout Monday, Tuesday, Wednesday, Thursday, Friday Saturday, Sunday  
Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
All day, 24/7  
Yeah, all day, 24/7  
Oh yeah[Outro: Beyoncé]  
End  
What I found out-  
I took a vow that from now on  
I'm gonna be my own best
