Run Away Song

[Monty Python](#)

It wasn't like all the times we fall
When I talk to you down, when I talk to you down
I can say what I wanted to say
I can say instead, I can say itAnd you can say that you don't understand
And you don't understand
You don't
And you can say that you don't understand
And you don't understand
And you don't
Chorus:
If you find the time
To open wide your eyes
You'll see your favorite thing
Run away, run away, run away
And if you find the time
To open wide your eyes
You'll see your favorite thing
Run away, run away, run awayII:
You can say if you don't believe it
You wouldn't mean it, you wouldn't mean it
And you can tell how you've been before
But it don't make sense, and it don't make sense
And you can say that you don't understand
And you don't understand
And you don't
And if you knew her, you cand say you knew,
And say you want it,
Say you want itChorus:
If you find the time
To open wide your eyes
You'll see your favorite thing
Run away, run away, run away
And if you find the time
To open wide your eyes
You'll see your favorite thing
Run away, run away, run awayIII:
