

# I Found

## Amber Run

I'll use you as a warning sign  
That if you talk enough sense then you'll lose your mind  
I'll use you as a focal point  
So I don't lose sight of what I want  
I've moved further than I thought I could  
But I missed you more than I thought I would  
I'll use you as a warning sign  
That if you talk enough sense then you'll lose your mind  
I found love where it wasn't supposed to be  
Right in front of me  
Talk some sense to me  
I found love where it wasn't supposed to be  
Right in front of me  
Talk some sense to me  
I'll use you as a makeshift gauge  
Of how much to give and how much to take  
I'll use you as a warning sign  
That if you talk enough sense then you'll lose your mind  
I found love where it wasn't supposed to be  
Right in front of me  
Talk some sense to me  
I found love where it wasn't supposed to be  
Right in front of me  
Talk some sense to me  
I found love where it wasn't supposed to be  
Right in front of me  
Talk some sense to me  
I found love where it wasn't supposed to be  
Right in front of me  
Talk some sense to me  
I found love where it wasn't supposed to be  
Right in front of me  
Talk some sense to me
