

# Blame It On Me

## Post Malone

I used to say I was free  
Now all these people wanna keep on taking pieces of me  
They take away everything, had everything that I needed  
They held me down, let me drown  
They spit me out right through the teeth  
I can't pretend, ash in the wind, won't blow again  
It was a breeze for you  
These hurricanes inside of my brain  
Let it rain, made it look easy  
Can't look away, you love the pain, you love the pain Watchin' me bleed  
You cut me down on my knees  
No matter what you believe  
I think we both can agree  
That you can't blame it on me, yeah  
It's not my fault, it's not my fault, it's not my fault  
Blame it on me  
It's not my fault, it's not my fault, it's not my fault  
I couldn't breathe  
Almost lost myself, couldn't stop myself, I did it all  
You can't blame it on me  
It's not my fault, it's not my fault, it's not my fault Everyday's the same, yeah, I just watch 'em go  
As I scrape away through the impossible  
Yeah, I played the game but it was all for show  
Tryna find my way, I nearly lost it though  
Now I see dead people, most have no faith  
Where did the time go? A watch with no face  
They hit the ceilin' but my roof likes space  
I took my chances so won't you  
Blame it on me  
It's not my fault, it's not my fault, it's not my fault  
Blame it on me, ayy  
It's not my fault, it's not my fault, it's not my fault  
I couldn't breathe  
Almost lost myself, couldn't stop myself, I did it all  
You can't blame it on me  
It's not my fault, it's not my fault, it's not my fault, not my fault It's all my fault that I'm addicted  
to the clothes  
It's all my fault, I paid the cost, yeah  
It's all my fault that I ain't givin' up my soul  
It's all my fault Watchin' me bleed  
You cut me down on my knees  
No matter what you believe

I think we both can agree That you can't blame it on me  
It's not my fault, it's not my fault, it's not my fault  
Blame it on me  
It's not my fault, it's not my fault, it's not my fault  
I couldn't breathe  
Almost lost myself, couldn't stop myself I did it all  
You can't blame it on me, ayy  
It's not my fault, it's not my fault, it's not my fault It's not my fault, it's not my fault, it's not my  
fault  
Blame it on me, yeah  
It's not my fault, it's not my fault, it's not my fault
